<i>Lessons and prayers:</i>	Church members are willing to help with this. Please telephone Joyce Lincé by Friday afternoon if readers are needed.	
<i>Morning services:</i>	The Sunday school children are present from the beginning of the service and stay to end of the second hymn. A children's address is, therefore, appreciated. Preachers are asked to include the Lord's Prayer, the church notices and the offering before the children leave.	
<i>Evening services:</i>	Generally, no offering is taken. An informal discussion group often meets afterwards to explore the theme of the service further. The preacher's participation is welcome but not obligatory.
