How do you provide for children and what part is the preacher required to play?

The children stay in church for the entire service every week.

Except all-age services, it would be appreciated if the first 10-15 minutes was planned as a family time perhaps including a talk or time of interaction; after which the children will work on theme-based worksheets/activities. A clear idea of the preachers theme at the time of giving advance information would be helpful to facilitate this.

When is the offering received?

Anytime.

Any additional information that the preacher would find helpful.

We use an Easy Worship data programme that facilitates PowerPoint should preacher so require.

Static and roving microphones used.
